

## **President's Report**

**2020-2021**

The year 2020 – 2021 has been a huge challenge for all of us. Our library and bookstore closed and then reopened with limited hours and limited access. Recently we have seen a loosening of most of the restrictions, but we are still being cautious to safeguard our volunteers and customers.

Thanks to 83 returning members for their ongoing support and our faithful customers who returned to the Bookstore, we remain solvent and ready to begin new programs as soon as possible. Several very generous bequests this year will enable ALFA to provide additional materials in the library, new programs as soon as it is safe, and we are hoping to commission a piece of artwork to further enhance our beautiful library.

Please renew your membership when you receive your notice, either by mail or in person at the Bookstore. We will also have a table in the lobby starting on October 18 for 5 days. Stop by and we'll share our latest updates from the County and ALFA.

Together ALFA will move forward toward an even better Alpine Library and Bookstore.

Christine Connell

ALFA President
